

Yes, I'll "PITCH IN"

Fall Cleanup!!!

Saturday, November 15th, from 9 AM to 12 PM

Brooms, Rakes, Bags and Gloves **Available at the BCA Plaza.**

Pitch in with your neighbors so that we can all be proud of the streets and sidewalks in the Ellis neighborhood.

This is our big chance to get rid of the leaves, trash, and all that other nasty stuff before the winter.

The city will be out helping us with street sweepers and extra trash bag pick ups.

For more information, contact the Ellis South End Neighborhood Association at:
